

## **Hear The Roar**

*Written by John Brockman and Tobin Shoemate*

**V1** Hear the sound of an army rising  
Hear the sound of sons and daughters prophesying  
It's the sound we make Glorify His Name  
It's the sound of the Kingdom coming

**V2** Hear the sound of revival burning  
Hear the sound of every nation giving glory  
It's the sound we make Glorify His Name  
It's the sound of the Kingdom coming

**Ch** Hear the roar  
Hear the roar, The King is coming  
Hear the roar  
Hear the roar, The Kingdom is coming

**V3** Hear the sound of supernatural  
Miracles signs and wonders breaking out  
It's the sound we make Glorify His Name  
It's the sound of the Kingdom coming

**V4** Hear the sound of the enemy trembling  
Hear the sound of Jesus rising up in Vict'ry  
Hear the sound of the Lion of Judah  
Hear the sound of the Lion of Judah  
Hear the roar of The Lion of Judah  
Hear the roar of The Lion of Judah

It's the sound He makes His glory fills this place  
It's the sound He makes His glory fills this place  
It's the sound He makes His glory fills this place  
It's the sound of the Kingdom coming

**Br** And the earth shakes  
At the sound we make  
We prepare the way  
Woh, Oh, Oh  
Sons and daughters rise  
Victory is our cry  
His glory fills the sky  
Woh, oh, oh, oh

Let the enemy know we're coming  
Let the enemy know we're coming  
Let the enemy know we're coming  
Woh, oh, oh, oh

Let the enemy know we're coming  
The battles already been won and  
Let the enemy know we're coming  
Woh, oh, oh, oh
