Whoo–hoo, Raine got her third JH leg this past weekend, so hoping to get her fourth and title at the National. My husband showed her for the past two legs (since I had conflicting Obedience trials with another dog), so hopefully she will do as well for me at the National! Now that she knows the game, she has apparently gotten a bit "out of hand" getting to the line so that will have to be worked on, but not much I can do about that in the next few days. I just hope the judges will appreciate her enthusiasm and overlook her youthful bad manners! Congratulations Laurel & Raine!
