

# HELLO HAPPYNESS

## Favorite Girl (from "Hello, Happyness")

Standard Tuning – Capo 2

Intro – G, Em, C, D, G (2x)

V1

          G                          C                          D                          G  
If the whole wide world were a field of flowers I'd pick you every time  
          G                          C                          D                          G  
I'd take you home and put you in a vase so I could call you mine  
          G                          C                          D  G  
'Cause ya' see to me you are as cute as can be and I can't wait to make you mine  
          G                          C                          D                          G  
Because I love, love, love you I love you and I will 'til the end of time

*PRE-CHORUS*

          C                  D                  G                  Em  
*Bursting with color you glow like no other*  
          C                  G                  D  
*You shine like a diamond in the sun*

**CHORUS**

          G                  Em                  C                  D                  G  
**I wanna hold you in my hands, and I wanna kiss you whenever I can**  
          G                  Em                  C                  D                  G  
**I wanna show you off to the world, because you are my favorite girl**

The grass might die and the flowers fade, but you become more beautiful with age  
And even when your petals fall, your still the fairest of them all

*PRE-CHORUS*

**CHORUS (2x)**
