

## *What people are saying about Delta Reign...*

To my ear, the mix of Earl Scruggs banjo licks with Texas-style guitar is irresistible. It invariably makes me smile. Delta Reign's music falls neatly into the bluegrass and Americana genres, and should find an eager audience among those who listen.

*John Lawless ~ Bluegrass Today*

At Bristol Rhythm & Roots Reunion, we book a lot of acts from many genre's. Delta Reign performs their new songs and make them feel like they've always been around and then they perform an old song and make it feel new. They left our attendees wanting more...

*Larry Gorley, promotor ~ Bristol Rhythm & Roots Reunion*

"The assurance, cohesiveness and soul of 'Calm Before the Storm' marks the quartet as being ready to make its move into the thick of things in the roots music world, a potential major player the Gulf Coast can no longer contain."

*Deep Roots Magazine, New York City "Calm Before The Storm" Review 2013*

*After performing for a packed Saenger Theatre for USM "Roots Reunion" live radio show in Hattiesburg, MS...*

"Delta Reign was a smashing hit with the Roots Reunion audience. The "delta style" bluegrass was a refreshing change to an audience quite accustomed to hearing bluegrass. When asked on a questionnaire what they liked best about the show a significant portion of the audience said "Delta Reign."

*Dr. Curtis Austin, Center for Oral History and Cultural Heritage U.S.M - Hattiesburg, MS*

"Delta Reign blended bluegrass with smooth swing and a jam band vibe that was completely at home on the Thacker Mountain stage. Our audience has become spoiled by the wealth of talent that comes through Oxford, and yet, Delta Reign had them applauding individual solos. Delta Reign combines fine picking chops with vocal harmonies that are as sweet and true as a shot of moonshine down on the levee..."

*Jim Dees, host, Thacker Mountain Radio, Oxford, MS*

"Delta Reign performed at our White Sands Music Festival. They did an outstanding job for us. They are all established musicians and they blend their music together beautifully. I had a lot of good comments from the fans about them.... I highly recommend Delta Reign for any festival or concert..."

*Harry Felder, promoter ~ White Sands Music Festival Chumuckla, FL*

"Benita Murphy and her band Delta Reign bring a fresh perspective rarely accomplished in bluegrass..."

*"The SEBA Breakdown" ~ sebabluegrass.org*

"I just love this group Delta Reign. They are very exciting and I was captured when I first heard them. They bring a great sound to add to the library of good Bluegrass music.. there is always room on my playlists for Delta Reign."

*Grace Muldoon ~ WorldWideBluegrass.com Radio*

This new band really excels... Delta Reign adds that swing feeling that sets them apart from the herd...

*Don Kissil ~ Bluegrass Music Profiles*

"...if you want to hear a talented new band introduce you to some new voices, both singing and writing (with special kudos to the pretty ballad "Thankful"), 'Home' can also be a place for your ears to take a rest.

*Bluegrass Unlimited magazine "Home", CD Review*

"Man, oh, man, oh man. One of the treasures in the Delta Reign catalog is a rendition of Blind Faith's "Can't Find My Way Home." If you're going to tackle this one, you'd better have a vocalist who can measure up to the Steve Winwood original, and Benita Murphy has her own way with it...."I got to see them do it on the city's classiest stage, and it was devastating. I came away feeling richer." (press review after a performance at The Saenger Theater, Mobile, AL)
