

## Song Of Thanksgiving

### Verse 1

How many ways have You touched my life  
Freely You pour Your blessings on me  
How many times have You made a way  
All the while I've failed to see  
It is in You I live and move  
Anything I possess is because of Your kindness  
All that I am all I have I owe to You  
So I've gotta say

### Chorus

Thank You for another day  
Thank You for one more chance to say  
Lord I thank You  
There's not enough time not enough ways  
To tell You how grateful I am  
For Your mercy that's new every morning  
For Your love and Your grace that sustain me each day  
I'll never take it for granted  
I determine from this moment  
To never let a day go by  
Without saying thank You

### Verse 2

When I try to tell of Your works  
In my life I don't know where to begin  
I can't recall one day one step  
Without seeing Your hand in it  
Because of Your love Your spotless blood  
Has redeemed now I'm free to God be the glory  
I offer thanks by surrendering all to You  
Again I've gotta say

### Bridge

There is nothing I can offer You  
You created it all You own it all  
There is no way I can repay You  
Giver of life Lover of my soul  
You've restored me  
You've delivered  
Saved me from destruction  
All I can do is say thank You  
But I could never say it enough
