

Supernatural Gift

Verse 1

I'm not the quiet type
I've never been known to
Sit down on the side and wait for somebody else to tell about it
So I must tell you
About something that was given to me
If you're wonderin' I was gonna tell you
You can have it for yourself

Chorus

It will make you walk right make you talk right
Make you love your neighbor as yourself
Give you joy you can't contain
Make you wanna tell everybody
All you gotta do is tell the Lord you're sorry
For the life that you've lived be buried with Him
You'll speak with a language never known to man
Then you've got it
The supernatural gift

Verse 2

Say you're the skeptical type
Say you're not one to
Show a lot of emotion that will change if you decide
You'd like to try this
Holy Ghost power for yourself
By the way I was gonna tell you
You will never be the same

Bridge

It's the gift that keeps on giving
Happiness you can't explain
It will make you laugh
The world will wonder what you have
You're gonna wonder why you waited so long
