

## The Legend of the Pom Pom Kid

There's a new kid in the yard today  
I saw him with Miss Hathaway  
Looked jumpy was a nervous cat  
And sitting on his head was a pom pom hat  
Don't you ever touch his hat or  
Quick as you can blink you'll be on your back  
He's studied in Karate they said  
Don't mix it, mix it with the pom pom kid

Don't mess up with the Pom Pom Kid  
Like Bobby Boy Loranco did  
Bobby Boy can hold his own  
But the kid's got a mean streak hard as stone  
I heard he learned to fight in jail  
When his momma wouldn't pony up with the bail  
The cops couldn't make it stick  
Don't mix it, mix it with the Pom Pom Kid

I heard his parents died in a crash  
When the plane they were flying simply ran out of gas  
Funny how the last thing they did  
Was mix it with the Pom Pom Kid  
The kid's got a rep don't you know  
And a list of arrests as long as your arm  
But no convictions they said  
Don't mix it, mix it with the Pom Pom Kid

[CHORUS]

Ooh ooh ooh ooh  
The girls stare when he goes by

(There's that kid)  
The boys won't look him in the eye  
Ooh ooh ooh ooh  
I wonder if he really did  
Ooh ooh ooh ooh  
All the things I heard about the Legend of the Pom Pom Kid

I went up to the kid today  
Asked him if he could explain  
Why he got such a bad rap  
& why he's always wearing that pom pom hat  
It was all lies don't you know  
'Cept his parents really died and the pain did show  
Like the scar on his head  
From the crash that created the Legend of the Pom Pom Kid
