Written by: Z. Shelton

INTRO:

G D Em G D

VERSE 1:

G D Em
 The floor boards sometimes squeak
 G D Em
 And there's a pipe that tends to leak
 G D Em
 It's needed a good paint job since 1963
 G D Em
 The shingles have been falling off
 G D Em
 And there's a bat living in the loft
 C D C D
 But the foundation it was built upon is solid as a rock

CHORUS:

C G C G
 At that little country church, so much love that it nearly hurts
 C G D
 Friendly faces all around, about a mile out of town
 C G D Em
 And there were tears in mama's eyes, when uncle bobby got baptized
 C G D* G D Em G D
 Yeah they're putting Jesus first at that little country church
 *2nd time through build on D and go to BRIDGE

VERSE 2:

G D Em
 The little choir has a heavenly sound
 G D Em
 They sing it out but not too loud
 G D G D Em
 Getting ready for homecoming Sunday Do you think you can make it down?
 G D Em
 Country cooking at it's best
 G D Em
 But if you're weary from the devil's tests
 C D C D
 You'll find what you're looking for, If you're looking for rest

CHORUS
