

JESUS IN THAT
Written by: Z. Shelton

INTRO: C Am G C Am G

VERSE 1:

Am G F C
In the sunshine on a cold, cold day, in a family dog who wants to play
Am G F C
In a little boy who's up to bat, I can see Jesus in that
Am G F C
In a little girl learning to ride a bike, when a young man first kisses his wife
Am G F C
And he stays with her for all his life, I can see Jesus in that

CHORUS:

C G F C
In the valley or on the mount, Too many gifts for one to count
Am G F
Breathe it in, don't let life go by so fast
C G F Am
Subtle blessings from above, branded by the Savior's love
G F C Am G
Found along this narrow path, I can see Jesus in that

VERSE 2:

At a supper table saying grace, In a little old lady's smiling face
When a newborn baby meets her dad, I can see Jesus in that
In a soldier who is home to stay, In the cancer that's done gone away
When love is chosen over wrath, I can see Jesus in that

(To **CHORUS**)

BRIDGE:

Am G F G
For me He is the Master and the Anchor for my soul
Am G F
He is full of joy and laughter and I know Yes, I know

FINAL CHORUS:

C G F C
In the valley or on the mount, Too many gifts for one to count
Am C G
Breathe it in, don't let life go by so fast
Am G F Am
Subtle blessings from above, branded by the Savior's love
G F C
Found along this narrow path, I can see Jesus in that
