*Verse 1:*

**Ab Bbm Fm Bbm Fm Eb Ab**  
Feels like I am standing on the edge of the un-known  
**Ab Bbm Fm Bbm Fm Eb Ab**  
I have walked for miles and miles on such a narrow road  
**Ab Bbm Fm Bbm Fm Eb Ab**  
There's a thousand reasons why I should've given up long ago  
**Ab Bbm Fm Bbm Fm Eb Ab**  
There's a thous-and times that I have had to tell my soul

## CHORUS:

**Db Ab Eb Fm**  
I'm not alone I'm not alone In the shadow of the valley  
**Db Ab Eb/G Fm**  
I'm not alone I'm not alone When the storm is all around me  
**Db Ab/C Eb/G Fm Eb**  
If it's Your hand that I hold No matter where I go —I'm not alone

**Ab Bbm | Fm Bbm | Fm Eb | Ab**

*Verse 2:*

**Ab Bbm Fm Bbm Fm Eb Ab**  
I can see hor—izons I've never seen before  
**Ab Bbm Fm Bbm Fm Eb Ab**  
But the cost is walking a path I've never walked before  
**Ab Bbm Fm Bbm Fm Eb Ab**  
Every wave is a stepping stone to leaving all my doubt behind  
**Ab Bbm Fm Bbm Fm Eb Ab**  
Even when the water's deep I'll be singing the whole time
