"Music with a definitive message and purposeful journey!"
Kenny Fresh, Editor Freshselects.com

"The most creative turntablist I have ever worked with!"
Mark Ronson, 3 time Grammy Award Winning Producer

"...that accountability the artist should bear is apparent... artists are accountable to make great art, not to be worried about offending somebody. Sometimes artists must be accountable for challenging their listeners." - Dr. Michael Eric Dyson

#ForThePeople EP featuring Dr. Michael Eric Dyson, seamlessly invokes references to Billie Holliday's "Strange Fruit", a timely tribute to #EastCleveland residents killed by local police and NYPD brutality victim Eric Garner. The MUGPUSH Collective's message is powerful and poignant, liberating the voiceless masses & speaking honestly...#ForThePeople

A sonic blend of analog soul, funk, jazz & live hip-hop, #ForThePeople guides the listener through an emotional journey and thought-provoking eye opening experience. Lead by vocalist Mikki Boyd, poet OneTruth, singer/rapper Devaun Bantu and a feature by Georgetown Professor Dr. Michael Eric Dyson, MUGPUSH delivers an honest reflection of the times, and are beacons for change in the fight for freedom and social equality.
