

# **WE BOW DOWN**

Patricia W. Felker

**Verse 1:** For the life that you gave  
For your power to save  
Lord, we bow down to worship  
For the love that you show  
To your children below  
Lord, we bow down to worship  
Humbly we come  
Praising the Son

**Chorus:** Lord, we fall at your throne  
Lord, we praise you alone  
Yes, we bow down to worship  
You are holy and true  
We give honor to you  
And we bow down to worship  
We bow down  
We bow down

**Verse 2:** For the hope that you give  
For each moment we live  
Lord, we bow down to worship  
For Your grace full and free  
To each person in need  
Lord, we bow down to worship  
Our hearts confess  
Your righteousness

**(Repeat Chorus)**

*until*, Lord, we bow down to worship....You..

**(Repeat Chorus)**

..... We bow down
