Mare's Registration Number(s): _____

Fee: \$250 Booking/Chute Fee Due With Contract

Lone Star Performance Horses/ Shannon McCartney, owner/agent for the above named stallion, will herein be referred to as Breeder. This service is engaged subject to the following:

1. This contract is good for only one foal per mare. Multiple foals from the same mare in the same breeding season will require a separate contract and fee for each resulting foal. The only exception to this is twins that are carried throughout term and foaled by one mare. Should the stallion become unavailable for breeding due to injury or performance schedule then frozen semen, if available, shall be used to fulfill this breeding agreement.
2. Stallion fees are as follows: A non-refundable booking/chute fee of \$250 per mare is to accompany this contract when returned to Lone Star Performance Horses. A shipping charge of \$325 per mare, as well as the remaining \$500 balance of the stud fee is due before any semen will be shipped.
3. If the breeding was offered at no charge or is donated/purchased to/from an auction, a Chute Fee of \$250 will be applied to guarantee the breeding
4. A current photo copy of the mares' registration papers will be sent to the Breeder with this contract. The current owner shown on papers is what will be included on the stallion breeding report.
5. Shipping days are Monday, Wednesday, Friday. You or your breeding facility must contact us at
 - a. (903-352-8906) no later than 6:00pm Central Time the day before the shipment must be sent for us to guarantee that semen will be available. We highly recommend sending your mare to a veterinary clinic or breeding farm for her heat cycle. They will help to coordinate optimum shipping times.

6. We must be notified no later than 6:00pm Central Time the day before the shipment is to be sent. Semen will be shipped on an "as available" basis.
7. The shipping container must be returned to Lone Star Performance Horses at the above stated address within 5 days of the date received or the Mare Owner will be charged for the container. The container is on loan at no charge and we ask that they be returned in a timely manner and with all parts so that we can keep our shipping costs down for all of our clients. A breeder's certificate will not be released until all containers are returned in tact or paid for in full.
8. It is the mare owner's responsibility to ensure a deliverable address is provided to the Breeder. The Breeder will not be held responsible for collections that are delayed or not sent due to a non-deliverable address being provided, or failure of carrier service for any reason. Fed-Ex is our preferred carrier and will be used unless there are delays or failures specific to Fed-Ex in which case UPS will be used.
9. The breeding season in force for this contract shall begin February 15 and close July 1st of the year on this contract.
10. Live Foal Guarantee: Live foal means the foal shall live for 24 hours. It is understood that if the mare proves barren, aborts her foal, if foal is stillborn, or if foal dies within 24 hours of birth, a return season is guaranteed for the following year only (Mare Owner will be responsible for all veterinary and shipping charges), providing proper notification is given. Proper notification is a written certification by a licensed veterinarian within seven days of discovery that the mare has slipped, produced a non-viable foal, or foal died within 24 hours of birth. Mare Owner certifies that such abortion or death did not result from any act or omission of the Mare Owner. This guarantee is not transferable in the event of sale without the prior consent of the Breeder. No third year re-breeds will be issued.
11. The Breeder guarantees a colored foal from this breeding. A colored foal is defined as one that displays enough white markings to qualify for Regular APHA Registry under the current rules and regulations as defined in the current year's APHA Rule Book. If the resulting foal does not qualify for Regular Registration with APHA, the Mare Owner has the option of a re-breed the following season for a charge of a \$250 booking/chute fee. All veterinary and shipping charges will be the Mare Owner's responsibility. This guarantee is not transferable in the event of sale without the prior consent of the Breeder. No colored foal guarantees on second year re-breeds.

12. If the Stallion is unable to service the Mare at any time, for any reason including death, illness, accident, or change of ownership, this contract will become void. If all fees have been paid, the Mare Owner may breed to an approved Lone Star Performance Horses owned stallion, for up to one year. If the breeding is transferred to an alternate stallion, the Mare Owner understands that this will/may change the eligibilities of the foal. No refunds of the stud fee will be made. If the mare dies during breeding season, the mare owner may substitute another mare as may be agreed upon by both mare owner and Breeder.
13. Pregnancy status must be reported to Lone Star Performance Horses by September 1 of the breeding year, or the mare WILL NOT be listed on the Stallion Breeding Report. If an amendment to the Stallion Breeding Report must be filed after the deadline for that breeding year, the Mare Owner is Responsible for the late filing fee as well as an addition of a mare to the report fee.
14. A breeders certificate will be issued to Mare Owner after all expenses have been paid in full and upon notification of birth of live foal.
15. This agreement is governed by the laws of the state of Texas. All accounts are due and payable in Smith County, Texas, in U.S. Dollars.
16. This agreement is not valid unless completed in full and signed.

By signing this agreement, I hereby certify that I have read and agree to all the terms and conditions listed herein.
