

I Am A Temple

Lyrics: Erin Martin

Music: Erin & Andrew Martin

Verse:

I am holy, set apart
A new creation, by Your grace
And in your presence I have a choice
To live in reverence
Or turn my back and follow my own ways

Pre-Chorus:

You have offered me a freedom
May it not be used in vain

Chorus:

I am a temple of your Holy Spirit
I was never mine to own
Just an instrument of flesh and bone
A vessel made in Your image
May my body be used only to bring glory to you
I am a temple

Verse 2:

I am sacred in your sight
I pure reflection of hope and light
But where there's darkness I must decide
To heed temptation, or call on You to save me one more time

Pre-Chorus

Chorus

Bridge:

I know you have a greater plan for me
Without you, Lord, I'd live so recklessly

The spirit may be willing, but I'm weak
Take my life and have your way in me

Pre-Chorus

Chorus
