

For Those Who Sit In Darkness

by Erin Martin

Verse:

For those who sit in darkness
He has come to guide your path to peace
He carries all your burdens
And bids your striving cease
And he's come to make a way for you
And he's come to render all things new

Chorus:

A light, a light, a light, light has come
Do not be afraid
He's come to save you not to judge
A light, a light, a light, a light has come
Sweeping through the darkness in a blaze of grace and love
He is Jesus Christ
He is the light

Verse:

For those who sit in darkness
He has come to guide your path to peace
He carries all your burdens
And bids your striving cease
And he's come to make a way for you
And he's come to render all things new

Chorus:

Bridge:

There is no love that could ever compare
There is no love that could ever compare
There is no love that could ever compare
There is no love like Jesus Christ, He is the light
Jesus Christ, He is the light
Jesus Christ, He is the light
