

# Building Up, Reaching Out

*Lyrics: Erin Martin*

*Music: Erin & Andrew Martin*

Building up, up to the heavens  
Reaching out, out to the world  
It's our job to make sure  
Everybody in our path has heard  
About Christ Jesus, the one who freed us  
Giving life eternally  
Lord knows we can't be ashamed or run away from our faith  
We've got to build up and reach out  
Let's start today

God has chosen us for glory  
To tell the good news of his story  
Praise his name to all creation  
Until we see his Holy Spirit  
Move through all the nations
