

Don't Tread On Me

Channing Wilson, Drake White, Shane Minor © 2011

V1

D **C**
Left wing right wing its all the same thing who you really working for
G **D**
you say its me but you're shaking hands with the wolves at my door
D **C**
with a hollowed heart and the devil's tongue you bend the truth to hide your lies
G **D**
without a blink you fall right to sleep in a bed of alibis
G **D**
you need to rise up and believe

Chorus:

A **G**
and get back to the dream
A **G**
of the land of the free
D
and don't tread on me

V2

rewind to a time it was all on the line and the people they had enough
they marched their way to freedom on a road paved in blood
where's the take a stand lend a hand front line trench man willing to fight for the cause
lets all come together its now or never our back's against the wall
we need to rise up and believe

Chorus:

Bridge:

A **G** **A** **G** **A** **G**
rise up and believe get back to the dream of the land of the free
D **G**
and don't tread on me
D **G** **D**
don't tread on me
