

Performance Rider

Attention to all Production Managers, Stage Managers, Promoters, Hospitality Managers and others

The following Hospitality Rider is provided by Avante Vocal Jazz Inc to ensure the best performance possible. Any changes must be discussed with group management at least one week prior to performance.

Avante:

Traveling with Avante will be a total of nine people including performers and Technical Director.

Dressing Room:

Two, private, lockable dressing rooms that can each comfortably fit four persons must be provided. Dressing rooms and adjacent hallways must be smoke free. Dressing rooms should include chairs, tables, heating/air conditioning, electrical outlets, full length mirrors, a hanging rack for costumes and nearby bathrooms not accessed by the audience. One case of water should be in one of the two dressing rooms.

Lodging:

Unless stipulated otherwise in the Contract, Buyer/Presenter will provide five quality non-smoking rooms at a nearby established hotel chain with a AAA three or more stars when possible. Preferred hotels are Embassy Suites, Radisson, Hampton Inn, Marriott, Courtyard Marriott, and similar hotels. Hotel amenities must include high speed internet access in the rooms. Be sure to guarantee the rooms for early/late arrival and late checkout based on Avante travel times!

Hall Availability:

Unless stipulated in the contract the performance space must be made available and kept free of audience four hours before the performance. The house engineer or representative should be available during this time to coordinate with our engineer.

Merchandise Table:

The presenting organization should provide two staff members for Avante at intermission and after the show. All sales materials and merchandise will be coordinated with your staff by a member of Avante during sound check.
