## Dr. Bill Adams

A professional educator in voice, woodwinds, piano, and theory, Dr Bill Adams is also an active choral musician and clinician. A founding member of Avante, he is also the founder as well as musical and artistic director of the professional men's ensemble *riverdeep*. He works extensively throughout the country as a conductor and clinician of festival and honor choirs and gives lectures, master classes, and demonstrations in vocal health, vocal and choral pedagogy, and conducting. He has performed over 60 opera, oratorio and musical theater roles throughout the United States and is a multi-instrumentalist with a long and active career in classical and jazz. He earned his Doctor of Musical Arts degree in Voice from the University of Texas at Austin; a Master of Music degree in Opera from California State University, Northridge; and a Bachelor of Arts degree in Music Education (both Choral and Instrumental) from California State University, San Bernardino.
