### Show Committee

Candy has had some serious personal issues and things are getting backlogged. She stated she needs to get the premium list to the superintendent, MFB which she will do shortly.

Elaine Oxborrow has advised that the AKC has approved the Belgian Tervuren Specialty on Friday before our shows and they will support our entry on Saturday.

There will also be a Papillon specialty on Friday and the Papillon club will be supporting our entries on Saturday and Sunday.

The German Shorthair Pointers will be holding their specialty on Friday and will support our entry on Saturday.

Food service for the shows was discussed. Kiwanis is not interested because of cost for such a small number of people. Cindy Craig offered to call the Carson High School Culinary Club.

Judy Johnson stated that there was an article in the Nevada Appeal about the work being done to Fuji Park for the state fair. One thing that may be of help to the club is that the Parks Department is installing more electrical outlets.

Sieg gave Judy Johnson instruction booklets for ring stewards.
