PRESIDENT MESSAGE

How does a person say thank you to a multitude of people at the same time? Over the past three or four weeks, I have really become aware of what a team effort planning a dog show is. I've always known that it took a full team, but for some reason this time around it has really hit home.

Each one of you has played a part in putting our shows together. From those who help select judges, to those who picked up the judges at the airport, who ring stewarded and/or mentored ring stewards, who fed the workers, who judged, who did catalog sales and announced, who helped with set up and break down, who ran errands, who supported the entries, who donated trophies, who sang the National Anthem - the list is endless!

As I started my first trip around the park Saturday morning, I had this overwhelming feeling of TEAMWORK! Everything was going as it should and I had nothing to worry about! NOTHING. Everybody had pitched in and it was running like clockwork. The TEAM was in action! You are an amazing group of people - both members and the numerous volunteers who are not members but helped! It would not have happened without each of you. THANK YOU!

Congratulations to each exhibitor who won! There were some beautiful dogs this year - as always. We had several compliments on the park. A professional handler who has been here from the very beginning approached me and told me he thought the park looked better than it has ever looked. An exhibitor from Oregon told me they exhibit in several shows in Oregon but they came here this year and they absolutely loved the location and atmosphere of these shows - he gave us two thumbs up! Those were the kinds of comments we heard over the weekend.

The problems were inconsequential in the big picture. There are things we need to follow up on - dog park users created some problems. But we had good shows. THANK YOU!

And now we move on to next year. We'll do it all over again. We'll have our ups and downs, but the shows will go on. And once again, our team will do it - and we'll do it well!

Candy

REMINDER: Next meeting The nominating committee will be appointed. If somebody wants to be on the committee they need to let us know or be at the meeting. Also, if someone is interested in holding a board position next year, they need to let us know that too!
