PRESIDENT MESSAGE

The shows are progressing nicely. We have hired all of our judges and our applications have been submitted to AKC. The shows have been approved but we are still awaiting final approval for our obedience and rally trials. That should arrive any day. If you're interested in providing a trophy please contact Carolyn Goepner or myself as soon as possible. It's time to start working on the rough draft of the premium list so any trophy donations need to be submitted so they can be listed. If your group is going to support the entries at the shows, we also need that information right away. Time runs out really fast - we need to get things going!

There's a possibility that in 2017, the German Shepherd Dog Club of America will join us on Friday with a regional specialty and over the weekend with supported entries. A letter of invitation was sent to their board. Their 2017 national specialty will be in Reno the week after our shows. We're looking forward to the possibility of having them join us along with all the other specialty clubs that we already have. The Friday specialties add so much to our show weekend! It's always fun to hang around the park on Friday and watch some of these other breeds when there's not as much commotion going on.

If you're available to volunteer to help at the shows, please contact a board member. I know Judy Davis will be looking for ring stewards again. If you are interested in being a steward but don't know how, I'm sure we can arrange to hold a class or two to teach you what needs done. Being a ring steward really helps you understand how a dog show works. That's how I started - I attended a Bonanza match in Gardnerville and ended up being a ring steward, knowing nothing about dog shows! Let me tell you, I learned real fast!

Congratulations to the elected officers at the January meeting! The board remains the same as it was last year.

We'll see you February 2 at the next meeting!

Candy
