President Message

I'd like to add some new photos to the club website. Do you have any you'd like to share? I'll take show or casual shots – in fact, I'd love your casual shots! We need to show people our dogs are more than pretty objects, they're loved pets that hold a special spot in our home and lives. If you have something to share, please send them to candocr@sbcglobal.net and I'll work on adding them to the website.

We are looking for a new Match Chairman. This position needs to be filled ASAP. We typically hold two matches during the year, the first being held the Saturday after July 4, and the second being held Saturday night during our fall shows. You do **NOT** have to have experience to hold this position! Plenty of club members are willing and able to help and to guide you. A previous chairman, Elaine Oxborough, has volunteered to guide you if you need direction. If you are interested in taking this job on, please let me know. Hopefully we can appoint a new chairman at the March meeting.

Before you know it, the shows will be here. But before that happens, there are a lot of details we need to give attention to. If you want to donate a trophy for the shows, it's time to let us know! I will be working on the premium in the next couple weeks and trophies / awards have to be listed in the premium. You have a little bit of time to decide, but we do need to know sooner rather than later!

Our judges have all been selected for this year and for next year, but if you have ideas for judges that you would like to see at future shows, please let me know. We are always open to taking suggestions for judges.

It's not too soon to volunteer to help out during the shows. We always need ring stewards, help with catalog sales, set up and tear down, at the gate for the private parking lot, there's always something you can do! Please volunteer to help!

A brand new member, Collette Easter, is gathering information for us to decide if we are going to have a spaghetti feed one night this year at the show. Thank you, Collette, for volunteering so quickly!

Our friend Tony Yarbrough has been under the weather. Feel better soon Tony!

See you at the meeting March 7!

Candy
