SHOW BRACKETS

- We will have a llama judge make the selections.
- Each class will be four animals. Two will advance and two will be eliminated. We will continue each round with classes of four (always two advancing) until we reach a Top Four of each wool division. For the Champion Drive the judge will then review the top two winners from each bracket, and pull those four up to compete for Champion, Reserve, Third and Fourth Overall.
- We will show by wool division for male and females.
- In order to keep a clean bracket style, there may be a need for a "Pre-Sift" to narrow down to classes of four. For example - If we have 10 yearling suri/silky females entered, we will host a Pre-Sift to find a final eight to make the bracket.
