

"CROWN": "A mentality that one carries when being redeemed by the true king, Christ Jesus! A realization of royalty that produces both humility and confidence at the same time"! – **KYREN MONTEIRO**

It has been sometime since the world has heard from Engage Records Recording Artist KYREN MONTEIRO (Formerly DA MESSENGER). But that silence is about to break on **March 11th, 2016** with the release of his new album entitled "**CROWN**"!

For the believer "CROWN" is an album that not only reminds and encourages us to who we are and who we belong to, but it also challenges us to walk out our

calling in both humility and confidence! For the Non-Believer it shows where hope really is, where royalty really, where true freedom is really found!

“For the sonic direction of this album I wanted to have an album that was very consistent in energy! My last project “LIFELINE 2” (Released under my former name DA MESSENGER) was very dark in content and sonically to me. I wanted the sound of “CROWN” to be totally opposite of that”! – says **KYREN MONTEIRO**. “I believe that “CROWN” is a classic in its own right. It’s definitely timeless music that is truly incredible! Rather you call it Christian Hip-Hop music or Hip-Hop music that expresses faith in Christ Jesus, I think that we can all agree that this type of Christ centered content is RARE nowadays! The content of “CROWN” is vintage truth but at the same it’s very relatable. Which has always been the mission of Engage Records”! – says **KYREN MONTEIRO**.

“CROWN” by default features some of KYREN MONTEIRO’s fellow Fight Squad movement co-labors such as C-MICAH, WILLSTOMP, Nue Breed, and Damon Golden. It’s also features heavy hitters in the Christian Hip-Hop market such as K-Drama and Swift (Formerly known as R-Swift). And great vocals from Recording Artist Terrance Anderson. The album also features incredible Music Production from Ray Baker of Sound H Productions, Matthew “BIG BEATZ” Franklin, DAT KID KEYZ, and Platinum Sellers. “CROWN” also has the mighty Audio Engineering skills of KYREN MONTEIRO all over it! “CROWN” is a MUST HAVE for any music listener. “CROWN” releases on Engage Records on March 11th, 2016!
