

COVID-19 FACILITY ENTRY RESTRICTIONS

SCREENING PROCESS UPON ENTRY:

- We will ask your first and last name
- We will ask to take your temperature with a digital ear thermometer. You will be asked to pull your hair away from your ear and stretch your earlobe. We will not touch you in this process.
- We will ask that you wash your hands with our hand sanitizer for 30 seconds.
- We will briefly ask you a few screening questions.
 - a. Do you or anyone in your family have a cold, flu, running a current fever or been out of the country within the last 60 days
 - b. If all is well we can begin to help you.
 - c. We appreciate your patience in helping to reduce spread of virus.

REASONS WE ARE NOT ABLE TO HELP YOU WITHIN THE STORE:

- Fever of 100.4 or above
- Flu or flu like symptoms within your home
- Out of the country within the past 60 days.
- Actively coughing when you or those in your care arrive at our facility.

If you or those you are caring for are ill with fever:

- Please go home and call us from home
- We should still be able to help you but will need to do this by phone.
