Beyond Belief: Agnostic Musings for 12 Step Life by Joe C. ISBN: 978-0-9881157-0-5 6" x 9"

Ernest Kurtz, Ph.D., *The Spirituality of Imperfection and Not-God: A History of Alcoholics Anonymous* says, “The book is aimed at a general 12-Step readership, but it is mindful that there heretofore exist no such aids for unbelievers, freethinkers, and the unconventionally spiritual. Given that the latest Pew survey found that twenty percent of the American people list their religious affiliation as ‘None,’ it is certainly time that the Recovery world took into consideration this population's needs. *Beyond Belief* addresses that need in a confident, non-aggressive way. I doubt that any believer will find anything objectionable in its pages. This believer, for one, finds much that is spiritually helpful.”

paperback, 410 pages including 365 thoughts for the day, notes, bibliography and an index of 120 subject/topics (suggested retail: \$24.00)
