G

What are you thankful for today

G **C** **D** **G**

Share with me the blessings that have come your way

G **C** **G**

I'm thankful that the sun is shining

G **D** **G**

I'm thankful I've got food to eat

G **C** **G**

I'm thankful for the songs I sing

G **D** **G**

I'm thankful for my dancing feet

Em **D** **G** **C**

What if you and a friend had a fight

Em **D** **G** **C**

Maybe you got hurt when you fell off your bike

Am **Em** **F**

Maybe mom and dad made a dinner you didn't like

C **D**

But be grateful – you have a plateful

I'm thankful that I've got clothes to wear

I'm thankful that I've got enough to share

I'm thankful for what the earth brings me

I'm thankful for my friends and family

Em **D** **G** **C**

What if your brother or sister didn't share

Em **D** **G** **C**

Maybe you just couldn't find anything to wear

Am **Em** **F**

Maybe you just had a really bad day for hair

C **D**

When life's distressing--- count your blessings
