COMMUNITY FUND RAISER

To Whom It May Concern,

We are writing to you today to introduce our Community Fund Raiser program. Our company, Industry Fixx, LLC, provides professional and entertainment services. As a local business, Industry Fixx, LLC is dedicated to supporting the youth in the community. We recognize that educational budgets are being cut to vital programs every year. With our program your organization can raise more funds to help reach your goals.

The Community Fund Raiser program we have developed is based on the sales of T-Shirts. The design can be from within your organization or new idea. The T-Shirts are retailed at \$15 price point. Your organization will receive \$7 per shirt sold and we will retain the \$8 balance. A second benefit we would also provide to your organization will be a 20% return on services that we provide to your organization, received five weeks after job completion.

Please contact us at sales@industryfixx.com if you have any questions or to setup a meeting. We look forward to discussing this further with your organization. Thank you for your time and attention.

Respectfully,

Industry Fixx, LLC
