Dear Mr. Al-Ghosen,

As you may know, as of January 21, 2008, my dental office is open and fully operational. I am sending you this letter to personally thank you for the excellent service that you provided in setting up the dental office. I truly appreciate your flexibility and professionalism.

If you ever need an excellent reference, do not hesitate to give my name.

As a valued business contact, and to show my appreciation, I would like to invite you as well as any employee at your office to benefit from the attached opening special before it is distributed to the public.

Yours Sincerely,

Dr. Ghada Al-Sabawi, DDS
