There will be a **PHOTO STATION** with draft test props available for cute photos. I have a crate cart and Berner-sized harnesses for anyone who wants to stage a drafting photo.

Conditions: Sun, rain, snow, cold??? Dress accordingly. We will have canopies and tables outside to be with our pups. Fire pit. Inside warmth/shelter and TV upstairs in living/dining room if needed. A few supervised dogs can come in the house if they are ok with steps and cats. Bathroom on ground level open to all.

Parking: Carpooling will help. Last house on the right at end of road. Park in our 2 separate driveways each with a gate to the backyard. Please pull all the way in to allow more cars, ok to park on grass in 2nd driveway. A few spots (please angle-park) also available in neighbor's driveway and yard space directly across road from our 2nd driveway. If driveways are full, park along 266th St. Call if you need help bringing stuff in, wagons available.
