**Conditions:** Sun, rain, hail, cold???. Dress accordingly, it's the PNW after all. We will be outside if it's dry. The adjacent garage building will be available in case of rain/hail/freak storms and provides us a place to congregate and eat while the dogs have free access to the garage and backyard. Bathroom in the house on ground level open to all.

**Parking:** Carpooling will help. Last house on the right at end of road. Park in our 2 separate driveways each with a gate to the backyard. Please pull all the way in to allow more cars, ok to park on grass in 2<sup>nd</sup> driveway. A few spots (please angle-park) also available in neighbor's driveway and yard space directly across road from our 2<sup>nd</sup> driveway. If driveways are full, park along 266<sup>th</sup> St. Call if you need help bringing stuff in, wagons available.
