

NON QUALIFYING AND NOVICE FIELD TRIAL – APRIL 2013

Our Novice and Non qualifying Field Trial were held on the 27th and 28th April. The Non Qualifying was judged by Terry Loft and Russell Thomas and the Novice judged by Russell Thomas.

With an entry of six on the Saturday and 7 on the Sunday. Weather conditions were good considering the hot weather we have been having, but still very dry.

We were hunting in grass paddocks with plenty of cover and plenty of birds to test the dogs for the first trial of the year.

With some young dogs and first time triallers. There were some excellent work done by most dogs over the two days, which was pleasing to see.

We had four dogs make it to the water on Saturday and three on Sunday after two rounds in the field.

A huge thank you to the property owners for allowing us to use their property and to Russell and Terry for judging.

To David Blacker for his very generous donation of the trophies for the weekend.
