

## Massachusetts - The Fallen Stars

*(I capo at the 3rd fret but that's just me)*

G Em  
Massachusetts is a funny word when you're drunk  
C  
I was in some kind of a funk  
D  
made me want to see you again.

G Em  
I dialed you three times before it went through  
C  
Didn't know what I would ask you  
D  
Just tried to remember the song  
C D  
But you knew it all along  
And you said;

C D G G/F# Em  
Tie your troubles across my shoulders  
C D G  
And wrap your arms around this old heart of mine  
C D G G/F# Em  
Close your eyes now, pretend we're no older  
C D G  
Just wrap your arms around this old heart of mine

Sold all of your LP's  
A down payment for an SUV  
and it's all over now, baby blue.

It wasn't much but it was all you had  
The records, they were all scratched  
You know I really miss U2  
And maybe The Ocean Blue

Tie your troubles across my shoulders  
Wrap your arms around this old heart of mine  
Close your eyes now, pretend we're no older  
Just wrap your arms around this old heart of mine
