If you cannot provide the equipment above **as listed**, including **4 monitor mixes**, or have any other technical questions, please contact our FOH sound engineer on: [benb.bb59@googlemail.com](mailto:benb.bb59@googlemail.com). We will be bringing our own FOH engineer. If you have any other queries at all please contact us here: [joebroughton@ymail.com](mailto:joebroughton@ymail.com) at least 4 weeks before the performance.

**PLEASE NOTE** it takes us 1.5 hours to sound check **from when the PA is set up** as above.
