

2018 Greater Portland Dachshund Club Annual Top Dog Awards

Each year our club gives recognition to the highest achieving dog owned by a club member in each of the following categories: show, field trial, earthdog, obedience, agility, rally, tracking, stud dog and brood bitch. Eligibility guidelines are the same for these awards as they are for the annual merit award plaque program. Point counts for this year's awards are taken between **November 1, 2017 and October 31, 2018**. Awards will be presented at the December Christmas dinner party.

Nominations may be submitted by USPS mail or email and received by 9 PM Thursday, November 1, 2018. Please send your paperwork to: Michelle Kutzler, PO Box 234, Philomath, OR 97370 or email to michelle.kutzler@oregonstate.edu

Please use the following guide to determine your nominated dog's points. Other achievements may be considered in the case of a tie for an individual award but only the achievements listed will be used to determine the overall points earned by a dog. Applications should contain all data needed to clearly establish points earned; the committee may ask you to verify your information. All points considered for these awards must be earned at AKC events.

Top Dog in each category will receive a large engraved plaque. Runner-Up Top Dog in each category will receive a medallion.

Top Show Dog: To be nominated by the GPDC member / owner, who should prepare a summary outlining the dog's achievements and points earned as assigned in the following:
