

The Release Party

If I'm releasing a CD, I NEED to have a release party, right? Right. And for the biggest step of my musical career thus far, it had to be totally awesome. Good food, drinks, music and LOTS of friends and family.

After my Kickstarter was successfully funded, I made a tentative schedule for CD and merchandise production, plus everything else on my Here's to My to-do list. I didn't want to overlap with the holidays, so December 9th & 10th became my release dates.

After living in Lowell for a year and a half, I have a few favorite places around town... Top of the list is Uncharted, hands down. The best pizza around, local beers, amazing art, a cozy atmosphere and everyone is so damn friendly! Thankfully December 9th was open on their calendar so I snagged the date and started planning.

More than anything, I wanted to have a good time celebrating. I've made some AMAZING friends in the Massachusetts music scene, and was able to build a kickass lineup with some of my favorite people. Jennifer Greer, Jared Duff, Rachel Raven, Cloud Country, Joe Skahan and Prateek Poddar joined me and let me tell you - it was SO MUCH FUN.

I am so happy the way this release turned out. The support I've received from the beginning of my Kickstarter to December 9th, and even now is absolutely incredible. I am so blessed to have such supportive fans, friends and family. Here's to My is a dream come true, and I am so happy to share it with you!
