verse 1

Everything I am, Everything I do
I give it all to you
All that I can ask for, All that I hang on to
I give it all to you

All I dream of, All I long for
Comes to rest in you
All my weakness, All my strength...

Everything I feel, Everything I see
I give it all to you
All that comes against me, All my broken pieces
I give it all to you

All I dream of, All I long for
Comes to rest in you
All my weakness, All my strength...

I give it all to you
I give it all to you

Comes to rest in you
All my weakness, All my strength...
