## THANK YOU!

Our club has so much to be thankful for this 2015 fall season! Starting with celebrating our first MAC trial in our new facility in September! The successful event led the way for the agility community to being welcomed to our new MAC community. The response was overwhelmingly supportive to our combined efforts as a club. 2016 can only bring more enthusiasm for our club spirit as we build a bigger fan base with our upcoming trials and ongoing exposure through the efforts of the Demo Committee! Thank you for your contribution in 2015! *Stacey*

## Member Gratitude

**Help us shout out a MAC Member who went over and above!**

- Gloria Mitchell for running the first house league night October 20th, 2015 15+ members and their partners enjoyed the evening.
- To the DEMO committee and all the attendees for sharing your enthusiasm with the communities of Glencoe, Brooks Alivinston and Ilderton communities!
- To Jeff Hayes for compiling MAC Members titles!

# A THANK YOU from *Paws-United Rescue!*

Paws-United Dog Rescue has helped many dogs get their second chance in life. They have re-homed over a thousand dogs in the last 4yrs and that task was achieved because of volunteers and adopters that have stepped up to give these dogs a forever home.

Our 2nd annual Reunion Day Sunday July 12th, 2015 was a celebration to thank all those involved in the process and to have a great time meeting the PUDR dogs past and present. We saw many dogs come together and have a blast swimming in the pond, walking the trails or playing some fun doggie games. We enjoyed a delicious BBQ, micro-chip clinic, ice cream, KettleCorn, silent auction, and we all had a blast watching the Middlesex Agility Club entertain us with their amazing dogs.

Thank you so much to the MAC members that came out on this warm day and show us how its done!
