

ABOVE, BELOW

Words & Music by Kaitlyn E. Gerber

Verse 1

We pray for your Kingdom to come
We pray for your will to be done
We pray "as above, so below"
But are these just words that I speak
Or am I aware what it means
To live as above, so below

Chorus

If I am to be what you meant for me
Then I'll see the world with your eyes
And I can't ignore what you've made me for
If I choose to give you my life
I can't keep to this road
If I don't live as above, so below

Verse 3

We pray you'll supply daily bread
We pray you'll forgive us our debts
We pray "as above, so below"
But have I forgiven as well
Do I share the good that I have
With those as above, so below
