

# OUT ON THE WATER

Words & Music by Kaitlyn E. Gerber

## Verse 1

Like a sailor lost in raging waves  
Not a map to mark my course  
Like a fool I followed wandering stars  
And they led me far from shore

## Chorus

Oh the times I've drifted in my life  
Why would you walk out on water for me  
Oh the ways I fell beneath the waves  
Why would you walk out on water for me  
I will finally step out on the water and see

## Verse 2

In the bitter wind my heart grew cold  
And I would not lift my eyes  
While around me gales and swelling deep  
Meant to sweep me from your sight
