

# SUDDENLY ALIVE

Words & Music by Kaitlyn E. Gerber

## Verse 1

Broken and battered, tattered and torn  
Looking for hope with no hope of my own  
Falling, again and again  
Tired and empty, nothing to give  
Wasting away with no reason to live  
Fading, faster and faster

*It wasn't til I found the cross  
That I knew just how far I was lost*

## Chorus

Suddenly meaning, reason for joy  
Suddenly all of my life has a point  
All I did was give my heart to Christ  
Now I'm suddenly changing, even made new  
Suddenly living a life in the Truth  
I'm seeing everything for the first time  
And I'm suddenly alive

## Verse 2

Healing and working, serving with love  
This is a life I can't get enough of  
Standing, steady and strong  
Honestly someday, it can be rough  
Battling doubts that I'm not good enough  
Fighting, harder and harder

*So I think to when I found the cross  
And knew just how far I was lost*
