

PROMISES OF GOD

Words & Music by Kaitlyn E. Gerber

Verse 1

Guard my footsteps and my heart
Be my light when life gets dark
Hold my hand so I'll stand tall
On the promises of God

Verse 2

When I'm weary with despair
You have promised you'll be there
And be my strength so I'll stand strong
On the promises of God

Chorus

There's nothing can keep me from you,
There's no end to what you can do
No limit to how much you love or who
I'll claim every pledge that you made
Receive the salvation you gave
And someday I'll rise from the grave because
Of the promises of God

Verse 3

Though the wages of my sin
Would demand my soul within
Through your blood I now stand washed
On the promises of God

Verse 4

While the world is raging on
And so many hearts are lost
You're my rock so I'll stand calm
On the promises of God
