

# COMING HOME

Words & Music by Kaitlyn E. Gerber

## Verse 1

I'm prone to wander, I have a sense of feeling restless  
A heart that can be reckless, I know  
And I'm prone to hunger for a food that will not nourish  
Leaves a person feeling worthless, I know

## Chorus

Renegade on the run  
Wayward daughters and prodigal sons  
Call me a vagabond, call me whatever you want  
But I'm coming home

## Verse 2

I'm in a strange place, I never meant to get so caught up  
I never thought I lost it this much, I know  
It isn't too late, if I start running now I'll make it  
With every step the chains are breaking, I know
