

About WRWO Community Radio

We began with a vision of enriching our community by increasing access to local arts while empowering everyday people to share the music and ideas they care about most.

We are intentionally inclusive in our programming. We provide a place where community members can develop new skills, make new connections and support the culture of the La Salle County area we all love so much.

You can hear WRWO programs on Apple and Android mobile devices via our app, on TuneIn Radio, or at 94.5 FM within a 6-mile radius of Ottawa, Illinois.

WRWO is the first project of Here And Again Inc., a local non-profit organization completely supported by donations, grants and sponsorships.

About Sponsorships

As a non-profit radio station, we are governed by a different set of guidelines than those applied to commercial radio. While we can't present traditional advertising, we can recognize you as a sponsor and thank you on-air for your support.

Your donation of \$25 or \$50 will support our vision – and as a thank-you, we'll feature your business in four 15- or 25-second spots during the month.

- A 15-second spot might sound something like this:

This programming on WRWO is funded by Jack Jones Goldsmith Jeweler at 1741 West Lane Avenue in Ottawa, Illinois. Jack Jones features a collection of custom designed jewelry including bracelets, necklaces, rings and ideal-cut diamonds. For more information, call 815-486-4653.
