Many thanks to **Fr. Robert Marciano, Pastor St Kevin Church, Warwick, RI** for allowing us to bring Lakewest Recording into the church so we could record live and capture the spirit of the songs with the warm acoustics of the church just as I imagined them to sound.

**Dad**, for inspiring the song Crossing Jordan as you described how beautiful it was when you saw the thousands of angels singing as you crossed over into heaven; brought me peace and a smile.

Always, I thank **GOD**. I am Grateful, I am Blessed.
