

This is Me

Music: Aaron David

Lyrics: Aaron David, Amanda Vela-Rodriguez

What if I gave up everything
What if I gave up every dream
Chose to walk away

Everything that You have ever done
And every song that I have ever sung
Would still live in me

To see all my friends down on their knees
Lifting their hands for Your glory

This is me, this is now
You're everything I've wanted to be
Now all of me is on my knees
I'm desperate for Your Spirit in me

So look inside, uncover everything
That I try to hide and keep from being seen
Throw it all away

'Cause nothing's right if it's not to seek Your face
And I'm just a lie if not covered by Your grace
Pour it over me

To see all my friends down on their knees
Lifting their hands for Your glory

This is me, this is now
You're everything I've wanted to be
Now all of me is on my knees
I'm desperate for Your Spirit in me

Everything I have, everything I am
Is all Yours, is all Yours
Take me by the hand, take me as I am
I'm all Yours, I'm all Yours

This is me, this is now
You're everything I've wanted to be
Now all of me is on my knees
I'm desperate for Your Spirit in me
