

LESSON OF THE WEEK FOR April 5th, 2015

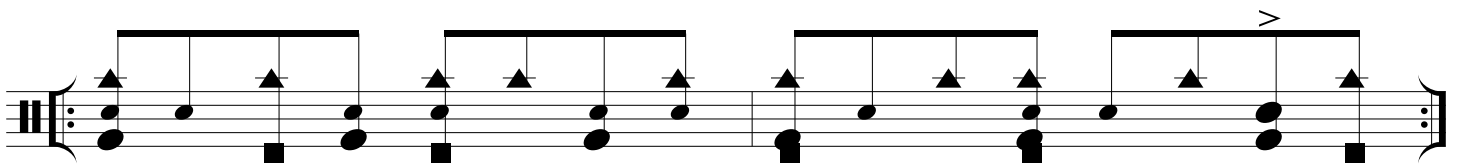

KILLER INDEPENDENCE WITH FOOT CLAVE PART 2...

This week we'll add the other hand to create a sampling of grooves with foot clave.

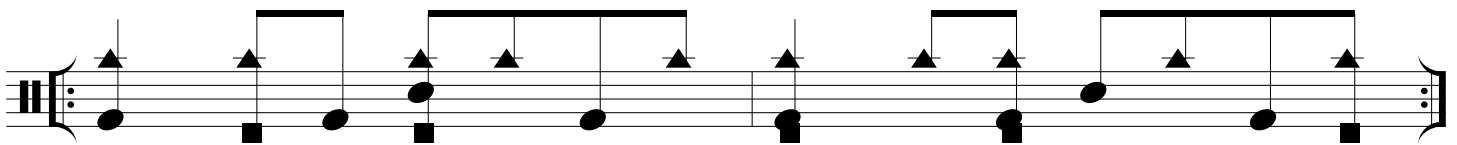

Conga drum simulation...

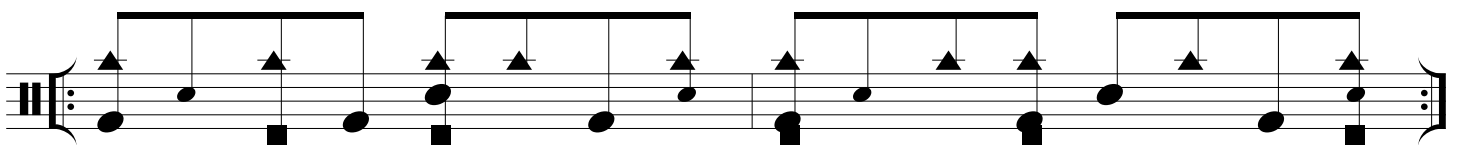

Cascara displacement on snare...

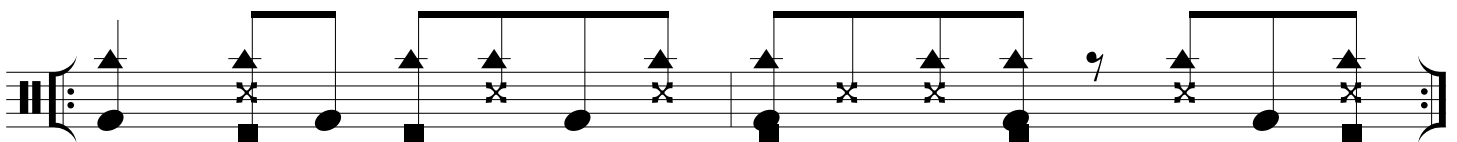

Backbeat...

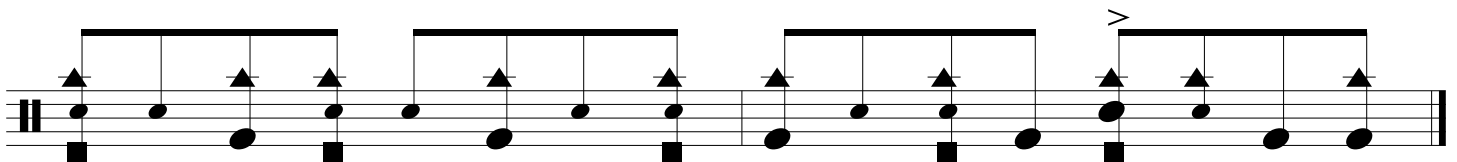

Backbeat with ghost notes...

Songo pattern with rim shots...

Reversed clave: 3:2 Rumba...

These should keep you busy for a while. But if you want more great applications of foot clave for many genres of music grab a copy of FOOT CLAVE, and elevate your independence.
