

ONE

Technical Requirements

One is a dance/music piece for 1 performer and 4 Musicians with live music throughout. The Show is about 55 minutes long without an interval.

STAGING

- Black lino dance floor
- Side wings/masking
- Upstage crossover
- Stage riser SR for Musicians, Ideal size is 8' x 4' x 1'. (this is not always essential as – as musicians can also sit on stage floor)
- Chair for Cello player SR
- 4 x mics suspended from bars as props (not used as live mics)
- Projection on floor

Please Note:

1. The Dancers perform bare foot, so if dance lino is not available, please ensure the stage is clean and clear of splinters, screws and nails etc
2. The show in the final scenes – uses 'earth' which is thrown up in the air by the dancer – and smeared on herself. We can use granulated cork

LIGHTING

Please see attached lighting plan.

We also need to create a slow chase with LEDs/Movers (If Available) or with Fresnels/PCs form the plan

SOUND

1. There are 4 musicians who will be seated SR
 2. 1x remote mic is also required Dancer
 3. Because the Musicians are seated, short boom stands would be preferred if possible.
- 1 x Mics for Tabla (SM57/58)
 - 2 x mic Vocal Mics (SM58)
 - 1 x Mic for On stage vocal (SM58 or Hand Held radio mic) on a Tall Stand
 - 1 x Mic for Cello (SM57 or Condenser)
 - 1 x Mic for Sarod (SM57 or Condenser)
 - Monitor speakers for musicians and dancers.

PROJECTION

Please note projection is on floor – therefore need overhead direction.

OTHER INFORMATION

- 2 x dressing rooms
- Iron and ironing board
- Tea/coffee making facilities and still drinking water
