

The power of plasma is in you!

COVID-19 PROTOCOLS

At ADMA BioCenters,
we care deeply about the comfort
and safety of our plasma donors.

We follow all CDC guidelines to
protect your health and safety.

Our donation center has
installed filters currently
reducing pathogens in the
air by 99.3%* in addition
to adhering to all COVID-19
safety protocols.

Our highly-trained staff can answer any additional questions
you have when visiting one of our locations.

You can also call your local center or email us at
donorinfo@admabio.com

*As stated by the manufacturer.
